### Forward-Looking Statements

Certain statements included in this press release constitute forward-looking statements intended to qualify for the safe harbor contained in Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act, as amended. Forward-looking statements are subject to risks and uncertainties. These forward-looking statements include information about possible or assumed future results of our business, financial condition, liquidity, results of operations, plans and objectives. You can identify forward-looking statements by use of words such as "believe," "expect," "anticipate," "project," "estimate," "plan," "continue," "intend," "should," "may," "will," "seek," "would," "could," or similar expressions or other comparable terms, or by discussions of strategy, plans or intentions. Forward-looking statements are based on our beliefs, assumptions and expectations of our future performance, taking into account all information currently available to us on the date of this press release or the date on which such statements are first made. Actual results may differ from expectations, estimates and projections. You are cautioned not to place undue reliance on forward-looking statements in this press release and should consider carefully the factors described in Part I, Item IA "Risk Factors" in the Company's Annual Report on Form 10-K for the year ended December 31, 2025, which is available on the Securities and Exchange Commission's ("SEC") website at [www.sec.gov](http://www.sec.gov), and in the Company's other current or periodic filings with the SEC, when evaluating these forward-looking statements. Forward-looking statements are subject to substantial risks and uncertainties, many of which are difficult to predict and are generally beyond our control. Except as required by applicable law, the Company disclaims any intention or obligation to update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
